

# Make Tax Season a Breeze

Specially designed for Accounting and Tax Professionals, CoraCloud is the low-cost, private, cloud collaboration solution, making it easy for you and your clients, no matter the size of your firm!

## Unlimited Support

Every CoraCloud user gets access to our onboarding team to help ensure that you and your clients are set up for success.

## Securely Exchange Documents

Collect documents with sensitive information, such as W2s or distribute documents to clients and partners, such as K-1s

## Built in eSignature

eSignatures can be executed on documents such as IRS forms, contracts, and agreements without having to pay a new fee for every signature!

## Create Organizers

A customizable task organizer works like a personal assistant following up with clients and tasks. Assign tasks to team members or clients and let CoraCloud do the heavy lifting.

## Collaborate with your Team

CoraCloud makes it easy for you and your staff to collaborate in your own private secure cloud.

## Real Time Notifications

Keep your finger on the pulse with real time notifications. Set your preferences based on what's important to you.

## 30 Day Free Trial

Sign up today for a free 30 day trial to find out why thousands of users prefer CoraCloud as their low-cost cloud collaboration solution for tax and accounting services!
